hyborian conqueror collection. age of conan hyborian conqueror collection

Battle cry of a barbarian- WORTH. I was never a big MMO fan but AoC, i loved because there are few boring pointless grind, there are no androgynous teenagers, the game is more mature and this DLC adds tons of new content for a good game. I recommend.. Worth every penny. Great collection.. Doesn't allow me to actually play any of the dlc after paying.
